Nationality: Greek / English

Mobile: +30 6937150509
Email: irenedemetri@gmail.com
Location: Athens, Greece

Profession:

Graphic / Web Designer (Visual Communication Designer)

Professional Experience:

2008-now

Company: 'Datahost', www.datahost.gr, (Athens)
Position: Art Director-Web Designer
Responsibilities: Creating the interface design of all websites and designing all graphics material (brochures, identity, branding) that we produce.

2006-2008

Company: 'GlobalStar Interactive intelligence', www.globalstar.gr, (Athens)
Position: Art Director-Web Designer
Responsibilities: Creating the interface design of all websites and designing all graphics material (brochures, identity, branding) that we produce. Also communication with the company's clients in order to manage projects.

2004-2006

Company: '3Ggraphic design', www.3ggraphicdesign.co.uk, (London)
Position: Graphic-Web Designer
Responsibilities: Creating the interface design of all websites and designing all graphics material (brochures, identity, branding) that we produce.

2003-2004

Company: 'Emperor design', www.emperordesign.co.uk, (London)
Position: Junior Graphic Designer
Responsibilities: Part of the company's creative team, where I would assist my seniors on projects of: Corporate literature, Branding & identity and Financial reporting. My responsibilities included retouching, illustrations, logo design and brochure design. Taking part in team meetings taught me a lot about team work.

2003

Company: 'Eleftheria', (Greek Newspaper, London).
Position: Junior Designer (Placement)
Responsibilities: Helping in setting up the newspaper's pages based on the specific grid and guidelines that the newspaper followed.
